# MASHA Conference

Our region has been at the forefront of occupational safety and health for over 100 years with industry leaders in manufacturing, mining, construction and services. With our region's energy reserves, natural gas extraction has become a major regional industry, thereby adding to the diversity of our safety and health careers. Our regional outlook and opportunities for careers in occupational safety and health continues to grow.

Since MASHA was established in 2007, it has been our pleasure to offer an annual conference in western Pennsylvania with educational opportunities reflective of our diversity in occupational safety and health.

The 2015 Safety and Health Conference will feature the following educational tracks:

- Construction
- General Industry
- Oil and Gas Extraction

## Conference Highlights:

- Keynote Address - Don Wilson, SafeStart® - Complacency: The Silent Killer
  - Safety experts in Construction, General Industry and Oil and Gas Extraction
  - General Session - Stacey Lucas, ERM
  - Closing Session - Panel Discussion Featuring OSHA Pittsburgh Area Office, Jeff Dierdorf (USS), Tim Sirofchuck (FDR Safety) and Stacey Lucas (ERM)
-
